

# Bold X Impact Mechanical Gloves

## BXMH50

### DESCRIPTION

Professional impact mechanical gloves featuring unique combination of mechanics-style backs with abrasion-resistant palms. Specially designed with thermo-plastic rubber pads for impact protection and neoprene cuffs for comfort.

### KEY FEATURES

- Abrasion Resistant
- Cut Resistant
- Impact Protection
- Puncture Resistant
- Tear Resistant

### DETAILED FEATURES

- Unique combination of mechanics-style backs with abrasion-resistant palms.
- Specially placed thermo-plastic rubber pads at back of hand protect against knocks without creating stiffness.
- Neoprene cuffs with hook and loop closure allow for ease of donning plus extra cushioning at the wrist.
