SHOCK ABSORPTION

APPLICATIONS

- Construction
- Logistics
- Mining
- Oil & Gas Industry
- Chemical Factory

FEATURES			
ACTION LEATHER UPPER Durable, flexible leather that offers long-lasting wear while maintaining comfort and breathability.	WATERPROOF UPPER Prevents water penetration, keeping feet dry and comfortable in wet conditions.	Energy-Absorbing Heel Reduces shock impact to improve comfort and support.	Oil-Resistant Outsole Prevents slipping and improving traction on oily surfaces.
Excellent Ladder Grip Designed for secure footing on ladder rungs.	HEAT RESISTANCE OUTSOLE Withstands high-temperature environments without damage.	Lightweight Comfort Built to reduce fatigue during long hours of use.	STEEL TOECAP & MIDSOLE Provides maximum protection against impact and penetration hazards for enhanced workplace safety.

Care Advice: To enhance the life & performance of the footwear, upper should be kept clean & dry. Dry/damp cloth or shoe polish/spray to be used as per the need. Sole to be checked and clean regularly to maintain its traction. Any obvious damage in footwear may reduce full protection and must be replaced
