PRODUCT INFORMATION

Category: Footwear

Available Sizes: US 5 - 14 | UK 5 - 12 | EU 38 - 47

FEATURES			
Unisex size range Suitable for men and women.	WATERPROOF Prevents water penetration, keeping feet dry and comfortable in wet conditions.	EN ISO20345 tested Conform to ENISO20345 Safety Footwear Standard.	Oil-Resistant Outsole Prevents slipping and improving traction on oily surfaces.
S5 Toe protection tested 20 200 joules impact. Anti-static and energy absorbing heel. Penetration resistant midsole to 1,100 Newtons and cleated sole.	HEAT RESISTANCE OUTSOLE Withstands high-temperature environments without damage.	Lightweight Comfort Built to reduce fatigue during long hours of use.	PVC Sole Durable and flexible sole offering reliable grip, abrasion resistance, and everyday comfort.

Care Advice: To enhance the life & performance of the footwear, upper should be kept clean & dry. Dry/damp cloth or shoe polish/spray to be used as per the need. Sole to be checked and clean regularly to maintain its traction. Any obvious damage in footwear may reduce full protection and must be replaced
